MusikGarten 音樂園地

An Early Childhood Music & Development Program from USA for babies, toddlers to 8 years old. It nurtures brain, social, emotional, physical and creative development. Backed by over 30 years of practise and research in U.S. Universities.

Family Music for Babies (Newborn - 16 months) 嬰兒家庭音樂 (新生兒至十六個月)

Play musically with your baby with activities that are designed to increase your child's curiosity about music, develop listening skills and a sense of beat and to establish the foundation for singing & musicality.

Family Music for Toddlers

(16 months - 4 years) 兒童家庭音樂 (十六個月至四歲)

Participate with your toddler in singing, chanting, dancing, moving, listening and playing simple instruments while developing a strong bond your child. Through activities of music & movement, the child's musical aptitude and listening abilities are enhanced and further developed.

Cycles of Seasons (4 years - 6 years)

每季一新 (四歲至六歲)

Activities include singing, dancing, focused listening, musical games and exploring musical instruments. Creative movement and story telling, helps build attention and self expression. It lays a strong foundation for future music learning.

Music Makers at the Keyboard

(6 years - 8 years) 琴鍵好手 (六歲至八歲)

This class follows a very sequential approach to building piano skills and understanding of musical notation and concepts. Your child is ready to play the songs they have learned to sing, dance and love.

Classical Piano Course 古典鋼琴課程

An enjoyable & effective course where the teacher pays full attention on the student's progress through notation rhythm sight-reading aural perception repertoire and technique. Results assured, Students will be prepared for Grade 1 to Teacher's Diploma examinations conducted by the UK Examination Boards.

Pop Guitar Course

流行吉他課程

A fun and easy way to learn how to play your favourite tunes in a short time (Individual or group class).
